On March 16, 2021, the Court issued an Opinion & Order (ECF 220) detailing coercive sanctions ordered upon the City of Portland. Sanction number five requires certain training and demonstrated understanding for “RRT grenadier[s]” operating FN303 or 40MM less-lethal launchers in crowd control settings. ECF 220, at 6. All Plaintiffs and the City of Portland hereby stipulate that paragraph five ought to apply to all Portland Police Bureau members who may use either a FN303 or a 40MM less-lethal launcher in a crowd control setting. Therefore, the parties stipulate that the language of paragraph five should read, “No PPB member shall use ...”. The parties jointly request that the Court modify the order to so read.
